EDUCATION

Virginia Tech – Blacksburg, VA   Degree Expected: May 2022
B.S. in Engineering, Major: Systems Engineering, Minor: Business

WORK EXPERIENCE

CapTech Consulting - Richmond, VA
Software Developer, Intern   May 2021 – July 2021
- Worked with a team of 11 other interns to build a web based application
- Developed the API layer of an application to handle external APIs, user input, and database management
- Configured a test and prod EC2 environment in AWS to host the frontend and backend of the app

General Dynamics Information Technology - Chantilly, VA
Software Development and AWS, Intern   June 2019 – May 2021
- Coordinated and co-developed with a team to improve the HR portal used by our subcontractors
- Used GitHub to setup a Grails test environment to push each improvement piecemeal
- Managed and expanded upon a SQL database used to store all subcontractor employee information

CSRA Inc. - Chantilly, VA
Cloud Developer, Intern   June 2018 – August 2018
- Created AWS cloud environments for software development
- Coded and deployed a virtual machine file converter to the DoD military cloud
- Gained experience converting between VMWare and KVM virtual machines

ACTIVITIES AND HONORS

Omega Alpha Kappa, LLC.
Vice President, New Member Educator   May 2018 – May 2020
- Successfully oversaw and coordinated 11 core committee operations daily
- Developed organization's structure by authoring the handbook used to educate new members
- Drafted and ratified 10 improvements to the bylaws of the organization

Student Engineers' Council at Virginia Tech, VA
Publicity Chair   May 2017 – May 2019
- Advertised every event hosted by the council
- Assisted in running Engineering Expo, the annual engineering career fair at Virginia Tech
- Divided up $140,000 per year to design teams, engineering organizations, and engineering faculty
